

# Staffordshire Scouts - Kenya Project

## Last minute Mop-up for 2015 contingent

We have successfully appointed team members to the 2015 contingent, but are also aware that a number of people may be disappointed after not being selected for the Jamboree in Japan, or missed the opportunity to apply for Kenya 2015. Late applications are open to all people scouting within Staffordshire. You will need to be aged 14 or over by 31 March 2015 to apply.

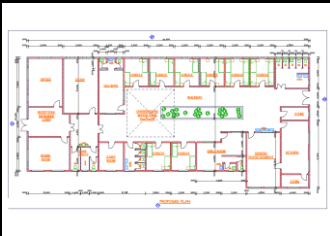

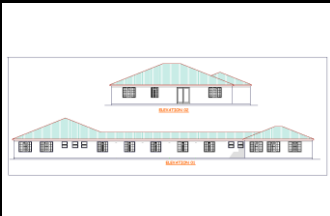

**Closing date for applications is Friday 8 November 2013. Shortlisted applicants will be invited to selection camp at Rolleston Scout HQ on Friday 22 November and 23 November 2013.**

All shortlisted applicants **MUST** make themselves available for the complete selection process and will need to pay a fee of £15.00 if invited to selection. You will need to arrive for selection on Friday 22 November at 22:00 hours, where you will stay overnight and take part in team activities and formal interview.

Further details about the project can be found on our website or by contacting Yvonne Wood at [yvonne.wood@staffordshirescouts.org.uk](mailto:yvonne.wood@staffordshirescouts.org.uk)

Applications forms can be found attached to the email.
